

## Water use on the farm; ways to access it, increasing efficiency, cutting costs.

Do you want to improve your current water use and cut costs? Do you want to look at the alternatives available to you for sourcing your water and what you might need to consider?

This on-farm event with speakers from LEAF, SCL Water, the Environment Agency, Rural Focus and Duchy College Rural Business School, will feature practical examples of possible solutions and outline cost, environmental and regulatory considerations.

**At Lower Norton Farm, Mill Lane, Stoke Climsland, Callington, PL17 8QF**

a LEAF demonstration farm which has installed a rainwater harvesting system on-farm.

There will be an opportunity to view the system and hear about the experiences of installing it.

**Tuesday 22<sup>nd</sup> May 2012**

**10am - 3pm**

£20 per person if eligible for funding (£40 per person if non eligible\*)

*Lunch will be provided.*

*You are invited to bring along information on your current water usage to discuss in a Q and A session - including barn roof dimensions if you would like an estimate on the rainwater harvesting capacity available to you.*

*Please wear warm clothing and clean footwear that can be immersed in a disinfectant bath.*

*For biosecurity reasons the hosts do not allow dirty footwear to be worn on farm*
